7 STEPS TO HEALING

Decolonizing Wealth Project

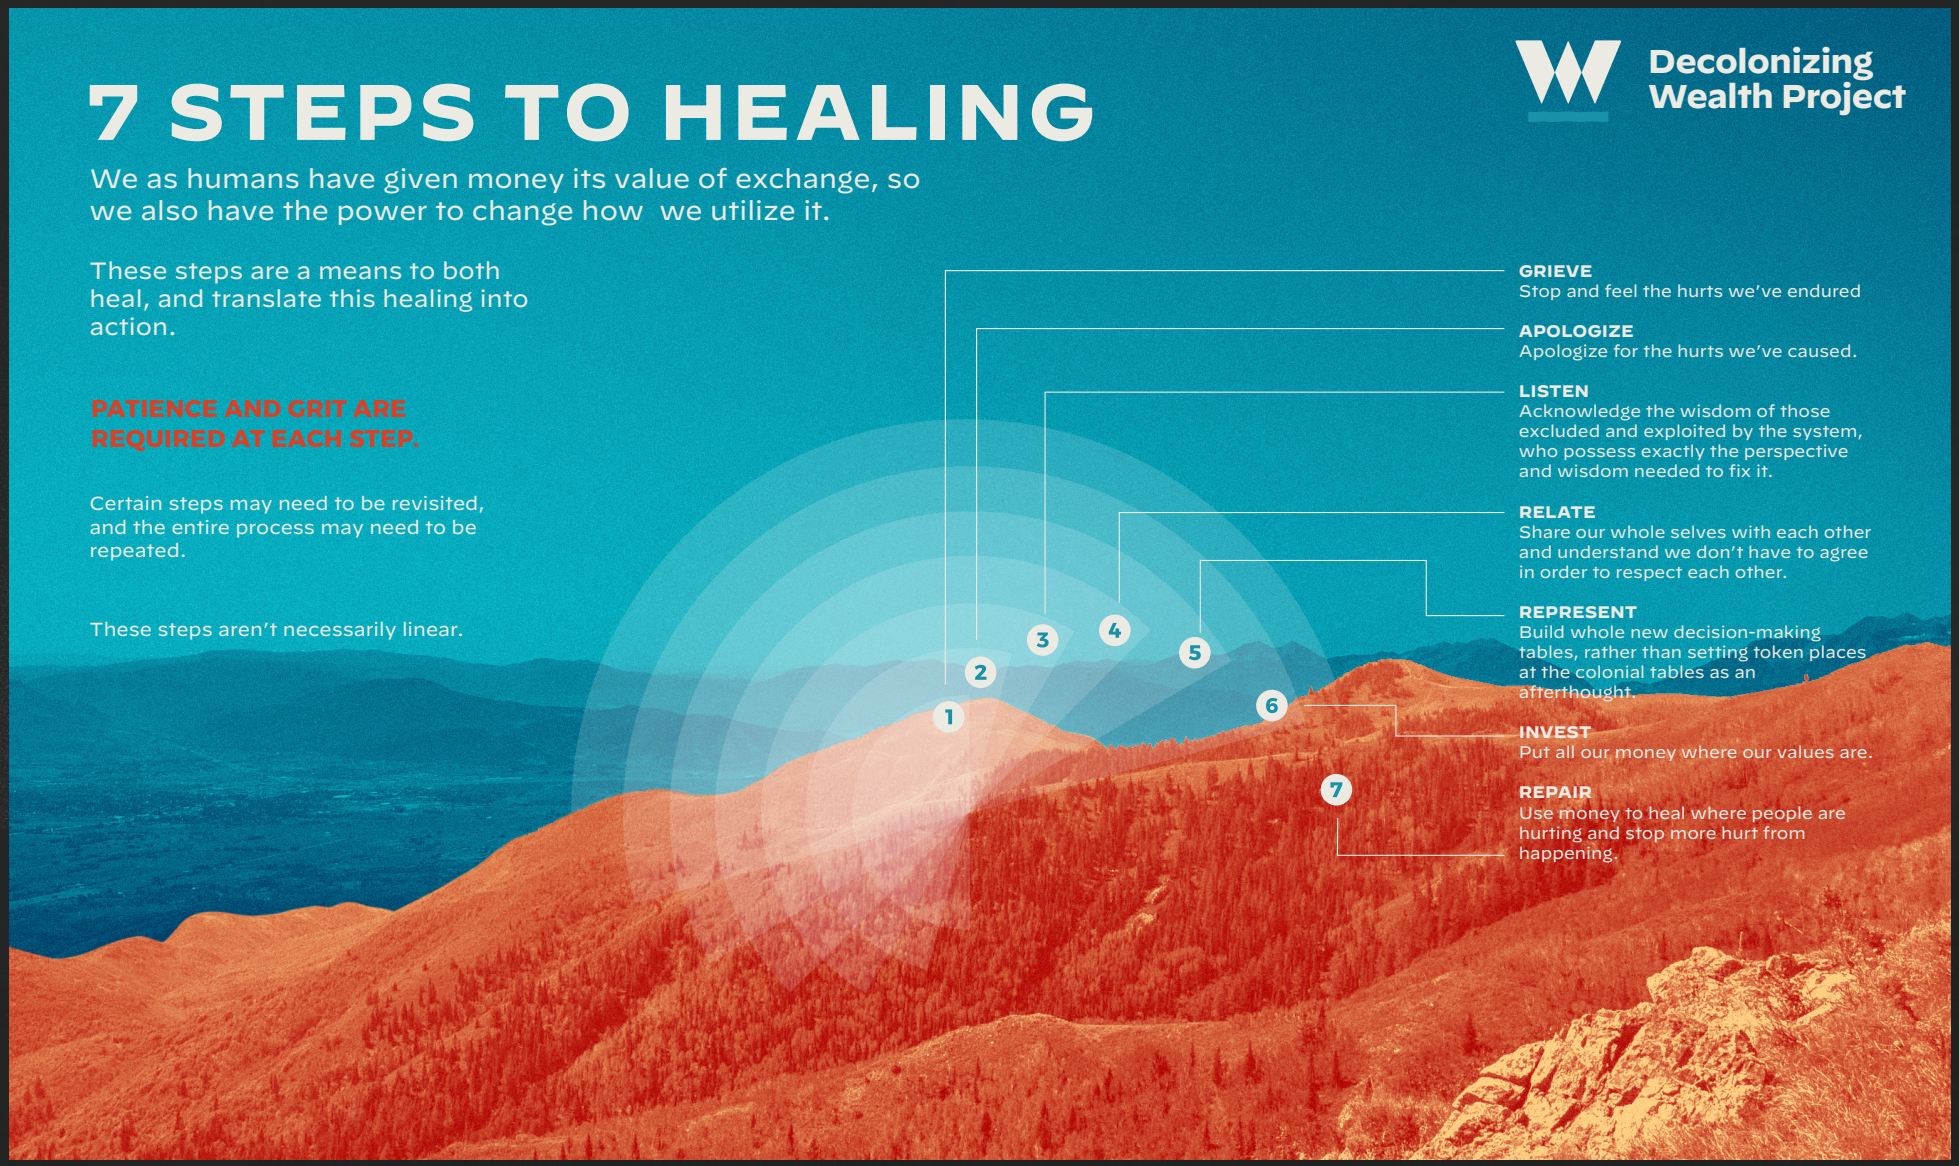
We as humans have given money its value of exchange, so we also have the power to change how we utilize it.

These steps are a means to both heal, and translate this healing into action.

PATIENCE AND GRIT ARE REQUIRED AT EACH STEP.

Certain steps may need to be revisited, and the entire process may need to be repeated.

These steps aren't necessarily linear.



GRIEVE
Stop and feel the hurts we've endured

APOLOGIZE
Apologize for the hurts we've caused.

LISTEN
Acknowledge the wisdom of those excluded and exploited by the system, who possess exactly the perspective and wisdom needed to fix it.

RELATE
Share our whole selves with each other and understand we don't have to agree in order to respect each other.

REPRESENT
Build whole new decision-making tables, rather than setting token places at the colonial tables as an afterthought.

INVEST
Put all our money where our values are.

REPAIR
Use money to heal where people are hurting and stop more hurt from happening.
